

CLR Arquitectos

CLR Arquitectos

CLR Arquitectos is a firm with nearly 37 years of experience in a variety of projects, both residential, commercial and industrial.

CLR Arquitectos began its activities in 1987 in Mexico City, but has developed its creative and technical activity in different cities of the Mexico, and for almost 18 years in Los Cabos area.

Currently our base is Mexico City and Los Cabos, but we have the capacity to develop the projects assigned to us in any part of our country.
